Vol. Nine - No. 101

"Search for TRUTH is the Noblest Occupation
of Man; its Publication a Duty"

What you are about to read deals with facts, and the critic will be forced to acknowledge that the truth, and nothing but the truth is revealed in every page.

This expose is the result of great research and is not half as severe as the subject treated of demands. Still, enough is told to bring to light the hidden venom and baneful influence of a race deemed by many "inoffensive."

Our whole aim is to present the truth in all matters pertaining to this malignant and diabolical race, that has obtained so strong a foothold in our country.

It must not be supposed that the Jews as a class are an intelligent race. Assurance is often mistaken for intelligence. Careful examination reveals that the great men among the Jews drank copious draughts of Aryan civilization and have quickly renounced Judaism or adopted a nominal, sometimes a real, Christianity. Thus their famous men cannot be fairly called Jews; for either they became rank infidels, or they carefully tried to conceal their origin by a change of name, a practice followed to the present day.

What a difference between the Aryan and the Jew!

The one is the child of Light, the other of Darkness. See how the Aryan raises his head and looks toward the sky; while the Jew constantly looks on the ground, always thinking, always meditating, always contriving, always plotting, plotting, plotting. By the term Aryan we designate the superior family of the white race.

JEW ZION IS STRANGLING THE U.S.A.

No race of men excepting, perhaps the negroes, have a physiognomy so characteristic; no race has preserved more faithfully the original type.

"The Jew is a coward" is a common expression. Eighteen centuries testify that if the Jew lacks combativeness, he has that other form of what is called persistence. The Jew is a worshipper of money!

Nearly all Christian nations are linked together by the closest ties by reason of their common descent from the Aryan race, which has given to the world its greatest civilization. The Aryan alone possesses the idea of justice, the sentiment of liberty, the conception of the beautiful. Beautiful children, those candid and charming creatures in the souls of whom the purity of heaven is reflected, have always been the object of the Jews' hatred. Herod caused them to be massacred. The Jews of the middle ages bled them and then crucified them. All the testimony, all the commemorative monuments raised to celebrate a crime of which an entire city was a witness, all authentic documents, everything upon which true historic acts are founded, agree, and all contemporaneous writers are unanimous in their testimony concerning the assassination of Christian children by the Jews. Think of a race of people who would design a child's toy with a delayed action bomb which explodes when the child handles it. These and their deadly devices were dropped including 'napalm' when Israeli planes dropped their missiles over Syrian and Lebanon territory in May, 1974.

HOW MUCH LONGER WILL AMERICANS TOLERATE ALIEN TRAITORS

The peculiar faculty of the Jew of sucking dry the prosperity of a country, as soon as he is left alone, such as in America today, has assumed proportions beyond bearing. Every ruler who has the sense of right and justice in him, every government, ought to act in a like manner and suffice to say to the Jews, "You have not acquired the millions you possess by work, but by deceit and lying. You have not created values; you have only possessed yourself of the values created by others. Make partial restitution of the wealth you have wrongfully acquired." Please think about this dear friends of WESTERN FRONT. This 'report' might well be amongst the most important you ever read. Please pass it along to others.

Pope Gregory IX upon learning of the complaints and bitter animosity against the Jews demanded that the Talmud be examined in a solemn assembly. Every opportunity was given to the Jews to defend themselves. They however, were forced to acknowledge that the Talmud contained precepts not only contrary to the good of Christian society, but of every civilized society. Passages were read which horrified the listeners.

It is the Jew of today who has replaced violence with treachery and

150 years ago there were hardly any Jews in America. Today the Jewish societies in New York city alone own real estate valued in the Billions of dollars. Let the reader stroll down Broadway, or down any of the leading streets of New York city, and he will find Jewish names plenty as the locusts of Egypt.

The Jew is a born trafficker, a born liar, full of cunning and intrigue. The Aryan is enthusiastic, heroic, chivalrous, frank and confident. The Jew sees nothing beyond the present. The Aryan is the child of Heaven, constantly preoccupied with superior aspirations. The one lives in the real, the other in the ideal. The Jew is mercenary by instinct. He has the bent for everything pertaining to business, for everything that gives him the opportunity to cheat his fellow men. The Aryan is agriculturist, poet, and, above all, a soldier. War is his element. He goes merrily to face danger, and he despises death.

The Jew has no creative faculty. On the other hand, the Aryan invents. Not one invention ever was made by a Jew. There is not a word of truth in the stereotyped phrase that the Jews invented the letter of credit. The letter of credit, the check, was in use in Athens four centuries before the Christian era. In Isocrates this fact is plainly told. The Aryan organizes, creates, while the Jew derives all the resulting advantages, which he naturally keeps for himself. The Aryan undertakes voyages of adventure and discovers unknown regions. The Jew waits until all has been explored, until the country has been opened, to enrich himself at the expense of others. In a word -- everything pertaining to daring deeds, everything tending to enlarge the terrestrial domain is absolutely beyond the Jew. He can exist only in the midst of a civilization he has not created.

However perspicacious the intelligence of the Jew may appear, it is in reality limited. He has neither the faculty to foresee events, nor of looking beyond his hooked nose; nor the gift of understanding delicate shades of thought and character, for which the Aryan exposes his life without regret.

The Jews yearn for whatever flatters their vanity. They seek with grotesque eagerness military titles, titles of baron and count, which look as well on those manipulators of money as the hat of a woman upon a monkey.

There are no illustrious families among the Jews. Glory is never left as a legacy. In less than twenty years, if circumstances are favorable, the Jew attains his full development. These Jews are not in the least dissatisfied with their condition, for they wait patiently for the time of full tide which will carry them into a city, and shortly afterward to fortune -- mostly at the expense of the Christian. Put diamonds, new garments, on all these people. on all these dealers in second hand goods.

The dancing halls, where the youth of by-gone days amused themselves in an honest way, have degenerated into a place of prostitution, thanks to the Jews. When have the ancestors of these men prayed with our own? In what corner of the village or of the city are their family tombs? In what parish registry does one find the names of these new-comers, who, less than a century ago, had not the right to live upon the earth from which they now seek to drive us away? By what tie do they attach themselves to the traditions of our race? Jews have made themselves appear learned by picking up some crumbs from the books of Aristotle. During centuries they have monopolized the profession of medicine, which rendered espionage easy by permitting them to enter everywhere, but never for a minute did they think of the circulation of the blood.

It is to the Aryan that we owe all discoveries, both great and small. It is to him that is due the art of printing, the discovery of gunpowder, America, of steam, of electricity, of the telephone, the phonograph, the circulation of the blood, of the laws of attraction. All progress has been evolved from the natural development of Christian civilization. The Jew, one must never weary of repeating it, only exploits that which Christian genius and work have achieved. The true emblem of the Jew is that hideous bird that installs itself in the nest constructed by another.

Having indicated the principal traits common to all Jews, let us now examine more closely the race and species. The principal signs by which the Jews can be recognized are the following:

The famous hooked nose, the restless eyes, the close-set teeth, the elongated ears, the square nails (instead of being tapered in the shape of an almond), the flat foot, the round knees, the soft hand, almost melting with the hypocrisy of the traitor. Often they have one arm longer than the other. Physical degradation closely follows upon moral degradation. This is strongly remarked among the Jews, who, of all races of men, are the most depraved.

Religion among the Jews is but of secondary importance. The question of race is what, above all, preoccupies them. Even among those who have abandoned Judaism, a Jew has no difficulty in recognizing his own people. He knows if there is a drop of Jewish blood in one's veins, and very readily spares an antagonist because he has discovered in him a brother who has wandered from the way.

Solidarity is the force of the Jew. All Jews are clannish in the extreme, which characteristic we observe in them from one end of the world to the other. One may easily understand what an advantage this principle of solidarity gives the Jew over the Christians, who, while ready to assist the unfortunate, has little of the sentiment of solidarity. No one can, however, deny that the sublime flower that Christianity

JEW BOY

That is what they call Henry Kissinger in the Middle East. They undoubtedly know more about this Zionist Jew than most Americans. I have before me a 'Confidential Intelligence Report'. The source is most reliable.

HENRY KISSINGER NAMED AS A SOVIET AGENT

The report is lengthy so we will not bore you with the details. It discloses beyond all question that Henry Kissinger's closest associates have been publicly involved in espionage and security violations. Among the more prominent are Helmut Sonnenfeldt, now Counselor of the State Department. Another close contact of Kissinger has been another Jew, Daniel Ellsberg, whom the French financial weekly Valeurs Actuelles identifies as a Soviet agent who was in contact with the Soviet Embassy in Washington.

Kissinger's recommendations for personnel have been as bad for the U.S. as his policy planning. Kissinger selected James Sutterlin, admitted homosexual and sex pervert as the Director General of the Foreign Service, U.S. State Department. This man had already been declared a serious security risk by the State Department's own security office. Sutterlin has access to the most sensitive information involving our foreign policy and national security. We could go on and on if space would permit.

Henry Kissinger has accomplished more for the Soviet Union than most of its top leaders. He brought about the so-called detente with the USSR which resulted in our transferring important technology to the Russian Communists and extending a billion dollars worth of trade on credit. He was responsible for the sell-out of free China and for the detente with Communist China. One of Kissinger's greatest achievements on behalf of the Communists occurred on February 8, 1974 when he (together with Ambassador Ellsworth Bunker, another security risk) pledged the return of the Canal Zone to Panama.

The anticipated claim of the State Department that Henry Kissinger was investigated by the F.B.I. and as a result was given top security clearances is meaningless. This was the same claim made in the case of Alger Hiss who received the same type of F.B.I. investigation and was also given top secret security clearances.

If we take into consideration the fact that Henry Kissinger has been a Soviet agent since World War II and has managed to become one of the most influential men in America, if not the world, it becomes easier to understand why the Nixon Administration promotes policies which give aid, comfort and support to the world Jewish Zionists - Communist Conspiracy.

"Then spake Jesus to the multitudes, and to His disciples, saying, the scribes and the Pharisees (Khazars) sit in Moses' seat. All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works; for they say, and do not." Matthew 23:1-3.

The first time the word JEW appears in the Holy Scriptures will be found in Second Kings 16:6, which was 1,300 years after the death of Abraham or 600 years after Moses brought the sons of Isaac out of Egypt. All anyone has to do is to consult the chronology in the margin of one's Bible or any preacher will find it in his analytical concordance of the Bible. Either source will readily indicate Second Kings 16:6 is the first time the word JEW appears in Bible history, or 733 years before Christ. This being FACTS then neither Abraham nor Moses were JEWS...but, if Abraham and Moses were JEWS...so were the Arabs...because they came from Abraham. That being FACTS then Abraham was a JEW and his son Isaac was a JEW...then all the TURKS (through Essau) are JEWS too, and I believe we could go on and on from one generation to the next beginning with Abraham. But Abraham, Isaac and Jacob were not JEWS. That you can believe! But the question we want answered... Where do all the so-called Bible scholars, preachers and all of the many denominations (MAN MADE) get such erroneous, absurd information, and WHO is brainwashing ALL THE CLERGY and 90% of the so-called Christians, Anglo-Saxons, Isaac's sons for THIRTY DIRTY PIECES OF SILVER in God's Chosen Country AMERICA, once Holy, FREE and BRAVE. Now, do you know your identity?? If so let us ALL PRAY..., remembering Second Chronicles 7:14 is the KEY that can and will save our NATION and our people, too. QUOTE: "If my people which are called by my name, shall humble themselves, and seek my FACE, and turn from their wicked ways; then will I hear from heaven, and I will forgive their SIN, and will HEAL THEIR LAND." Please don't forget God's promise and He will heal our land. Prayer Can Save America. Jesus rewards those who study His word.
